Re: Revision to Tariff PSB VT No. 26 — Elimination of 200 Pole Limit

Dear Mrs. Hudson:

We are filing herewith for effect February 1, 2002,¹ a change to tariff PSB VT No. 26. This change consists of the deletion of the first sentence of Section 4.1.1.B (which currently limits to 200 the number of poles that may be included in any attachment application). This change satisfies condition number three under Findings of Section 271 Compliance, set forth on page 3 of the Board's letter dated January 16, 2002, in Docket No. 6533.

Susan Martin

¹ To the extent necessary, Verizon Vermont requests expedited treatment of this tariff change, so that it may become effective February 1, 2002. Special Counsel John Cotter has informed Verizon VT that the Department of Public Service supports such a February 1 effective date.
